

2nd International Meeting on Well-Being and Performance in Clinical Practice

GUIDELINES FOR POSTER PRESENTATIONS

- ✓ Prepare a 5 minute oral presentation of your poster.
- ✓ Emphasize the research question and the main results.
- ✓ Be prepared to answer 1-2 questions from the session discussant.
- ✓ Presenters should remain with their posters during the scheduled session, for discussion with conference participants.

Format:

The following characteristics are recommended:

- Use an A0 size format (maximum: 900×700mm) – portrait.
- Most frequently the font type is Times New Roman or Arial.
- The font size of the title is at least 80 points, bold face.
- The font size of the body of the poster (abstract, introduction, objectives, methods, results and conclusions) is between 18 and 26 points.

2nd International Meeting on Well-Being and Performance in Clinical Practice

- Make sure your title, authors and affiliated institutions are clearly visible at the top of your presentation. It is common to include your institution logo on the left corner of the poster.

Please Note:

All posters should be printed before the Conference. There will not be poster printing facilities on site.

*The reason why poster sections
never really trended in ancient Egypt*
